# SYSTEM BROCHURE

# B E I N S P I R E D

Enter the inspiring world of Coulisse window coverings. An exciting world of design inspired by fashion, art, architecture, nature, technology and beauty. A stimulating world that challenges our imagination about what else window coverings can be, offering safety, prevention, well-being, comfort and convenience in a way that embodies efficiency and simplicity. And a purposeful world that aims at being good for people, the planet and the environment.

Discover our world and be inspired.

## COLLECTIONS

We offer a wide range of collections, varying from screen, wood and aluminum to leather. All collections are inspired by fashion, art, architecture, nature, technology and beauty.

## MOTION

Our revolutionary automation concept, with ground-breaking motorization solutions for homes and buildings, is easy to install and simple to operate: it makes motorization accessible for everyone.

## SYSTEMS

Our modular technology is designed for great optics, ultimate convenience and maximum safety. Thanks to the modular design, endless configurations can be created with a minimum number of parts.

# T O T A L   C O N C E P T

Coulisse expresses its imaginative strength in inspiring collections and advanced system technology. As a one-stop-shop in window coverings, we provide seamless solutions that meet the ever-changing demands in the market. Our product range consists of a wide and complete variety of collections, systems and automation offering different functionality, looks and styles.

Discover our total concept.

ABSOLUTE

by Coulisse

Imagine an indoor world full of light and peace. A place of safety, well-being and comfort. That is good for you and the world around you. Offering privacy and a pleasant climate. That pleases the senses at every time of the day. A personal space full of energy and life. Built on clean, smooth design. On simplicity, easiness and friendliness. On a modular world of window coverings.

Discover Absolute by Coulisse.

## ABSOLUTE VENETIAN

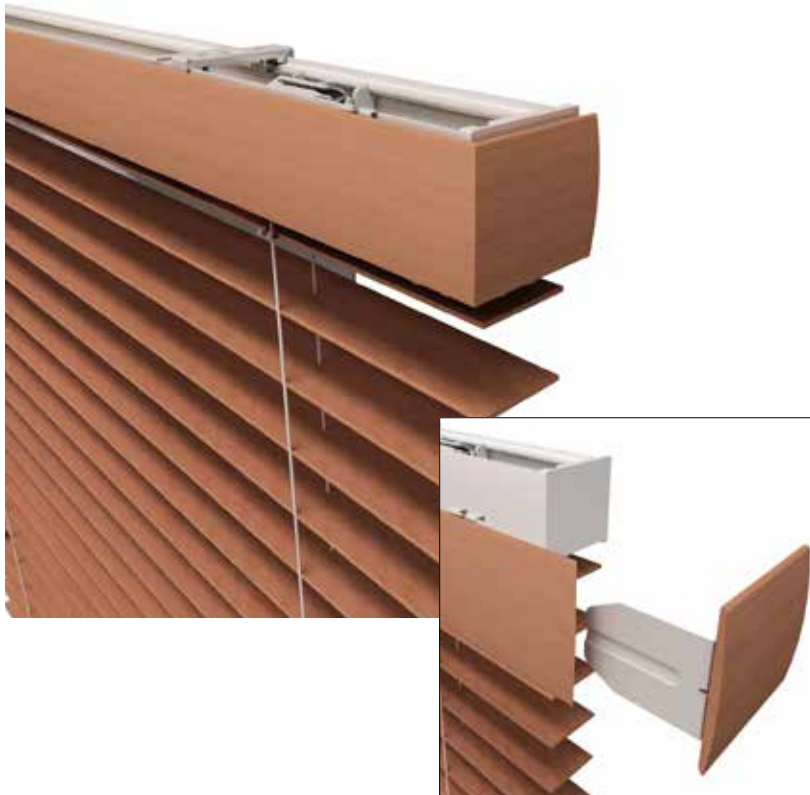

a design system for 50 mm blinds

- Modern design of aluminium head rail
- Designed for easy assembly
- Smooth operation
- From basic to full-option configurations
- Available in eight trend colors
- Valances in matching colors

## SMART DESIGN

valance in matching colors

- Valances available in slat and bottom bar matching colors

- Easy to assemble and disassemble with special valance clip
- Less chance of transport damage due to installation on location

## SMOOTH OPERATION

### heavy duty tilter

- Special tilter with a brass worm for large absolute venetian systems
- Results in smooth tilting and seamless closing of the slats
- The perfect solution for systems with 65mm slats
